

REMARKS

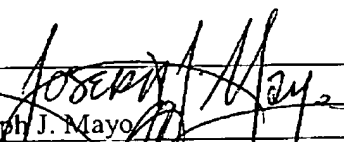

The Examiner requested the Applicant elect a single family of claims to proceed with an examination on the merits in the previous Office Action Restriction. Applicant has elected Group V according to the restriction requirement. The new claims are directed to a method for sharing media to play and believed be within the same classification as the original claims, namely Group V of which former claims 78-82 were classified by the Examiner.

In this response Applicant has canceled all existing claims, and has prepared new claims 83-131 that may be searched for in the classification suggested by the Examiner for Group V.

If the Examiner has any questions the Examiner is requested to contact Applicants Representative of Record. This application has been pending for over 4 years and the Applicant respectfully requests examination on the merits.

Respectfully submitted on 2/4/2005,
